One Old Trees is a spacious ground-floor, luxury beachfront apartment on the West Coast of Barbados. This luxury home is a bright corner unit with high ceilings and its own private villa style entrance. One Old Trees is one of the largest units in this luxury building which offers a gated garden area at the entrance. The apartment has also been completely modernized or upgraded throughout including a terrace door system that allows the living room to flow effortlessly onto the covered terrace and dining area with tiled sunken plunge pool and the adjacent sunset deck with BBQ and a restaurant-style retractable awning. Step off the gated private terrace and walk through the lush gardens onto a perfectly swept stretch of idyllic beach, perfect for sunset strolls.

One Old Trees offers spectacular Caribbean Sea views, 3 large en-suite bedrooms with French doors onto their own private terraces, high ceilings and luxury as well as contemporary finishes throughout.
