

Firefly

\$2,950,000

4  5 

Set amidst lush private gardens and exotic fruit trees, Firefly enjoys stunning views over the landscaped hillside of Sugar Hill and the Caribbean Sea beyond. The home offers a large central reception room leading out to an expansive covered terrace, overlooking the full size swimming pool and the west coast.

There is an air-conditioned designer kitchen with Italian granite topped units and also a separate laundry, staff room and service entrance. The air-conditioned media room leads off to the right of the reception room and opens out onto the main covered terrace.

The main house benefits from three bedrooms on the first floor, each opening through French doors to a spacious balcony providing spectacular views. All bedrooms have en-suite marble bathrooms and the master suite features a separate dressing room.

A separate one-bedroom guest cottage with an en-suite bathroom, kitchenette and private terrace is located in the garden.
